

ULTIMATE GAME MUSIC COLLECTION

version 1.3
by John Leonard French

PROFESSIONAL MUSIC FOR ANY GAME

The **ULTIMATE GAME MUSIC COLLECTION** features a huge number of professional video game music tracks from a wide variety of genres creating one of the most flexible and versatile **Video Game Stock Music Packs** available.

HIGH QUALITY

Created using professional instruments and a high standard of post production this is industry quality music at an incredibly low price.

BUY ONCE USE FOREVER

Use the music from this pack in any project, game, game trailer and never pay royalties. Your licence covers commercial use in games, trailers, videos... everything.

CUSTOM MUSIC

I'm available to hire for custom music. Please see my website for more information:
